Workshop materials

[rstd.io/adv-shiny-sib](https://github.com/rstd.io/adv-shiny-sib)

OPTION 1 - Download contents of the repo

OPTION 2 - Clone (or fork and clone) repo

... whichever option you choose, click on the `advanced-shiny-sib.Rproj` file to launch the RStudio Project.

Meet & greet

What brings you here today?

Messaging

**I'm
done**

**I need help
to progress**

- 09:00 - 10:00 From reproducibility to interactivity
- 10:00 - 10:30 Building user interfaces
- 10:30 - 10:45 Coffee break
- 10:45 - 12:00 Building user interfaces (cont.)
- 12:00 - 13:00 Lunch
- 13:00 - 14:30 Reactive programming
- 14:30 - 15:30 Modules
- 15:30 - 15:45 Coffee break
- 15:45 - 17:00 Troubleshooting
- Lots of info!
- Lots of "your turn" breaks
